

Dual Zone Pillow

Adjustable luxury orthopedic pillow with a layer of comforting memory foam surface bonded to a traditional foam base.

Adjustable Comfort.

Single contour enables full neck extension, even head and neck support, and encourages the natural alignment of the spine.

100% Premium Foam Made in Australia.

Utilising world leading foam production VPF Technology. Exceeds all Australasian & Global Environmental Regulations.

Adjustable Height and Support.

A removable insert that allows it to be lowered for smaller framed people, back sleepers, and children over nine. For those who require a firmer /softer pillow, an additional denser insert can be added or removed.

Designed by the Best.

Created in conjunction with Australian Health Professionals to support the natural curvature of the spine and provide even support for your body.

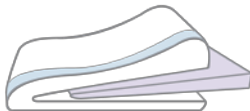

Sleep Safely & in Good Health.

Our foams contain no heavy metals, no toxic compounds and no CFC's.

Air Flow Circulation.

Open Cell Foam Structure prevents air stagnation in pillow. Polycotton cover allows pillow to breathe.
