

Feel in control with Invacare Leo®

The Invacare Leo® is a compact scooter that gives a smooth, safe drive. Simply dismantle it for easy transportation and take it with you for lots of exciting days out and those moments that matter.

Leo® is packed with many safety and performance features. Its intelligent lighting package includes indicators that automatically switch off and a rear brake light for safe driving. A visual warning for the battery level display, alerts

with an audible warning (beep) when the battery needs recharging. Incredibly easy to use the Leo® puts you in control with confidence.
